August 2010 Issue 1 Vol 2

### 2010-2011 is Here! From Sensei

Classes have already started at some locations. If this is the first year for your child please send in your application as soon as possible. The information on these forms are very important to me at the beginning of their training. I am always available by cell and applications and other useful information can be found at the website.

If your location has not started, please contact me as soon as possible so you can have the day and time most convenient for all the families.

New this year, email all correspondence. If you would like all material sent through email please send me the best email address. This will avoid confusion at the daycares.

I am looking forward to another GREAT year.

### TOURNAMENT UPDATE

I have been repeatedly contacting the tournament promoter over the summer. To my extreme disappointment, I was notified the November tournament would be cancelled. "The Battle of Atlanta staff is taking a break for 2010, working on Atlanta Extreme Warrior. The Battle will continue its 42 year tradition in 2011". You can goto the website to see information on the last tournament, and keep updated for next year: [www.battleofatlanta.com](http://www.battleofatlanta.com) I am very disappointed and I will look for other tournaments.
