July 2010 Issue 9 Vol 1

**Summer Break
 From Sensei**

Don't forget about Karate during the summer break!. Students can always jump in a summer location just to keep their skills sharp. Also at home Independent Training for Blue Belts and above count toward Black Belt hours. Lower Belts can practice their Japanese, stretching, and fitness. I am always available through email or phone for information.

cAMP'd was a great experience this year. We got a lot accomplished. Start planning now for your child to attend next year. Always the last full week in June. Check out the rest of the photos on www.senseitara.com
