JFK KARATE KIDS!

From Sensei

What a excellent movie Karate Kid turned out to be. If you have not seen this movie: GO SEE KARATE KID! The scenes from China are fascinating, the cast is well done, and keeping to its remake the storyline is motivating. The best part was experiencing this great movie with great students!

The movie also inspired students to ask about Tournaments. I have been following up on the date of the tournament I would like our school to participate in. Their is no word so far, but feel free to contact me anytime or follow the tournament website: www.battleofatlanta.com

Conner Pinneke

STUDENT OF THE MONTH - June

Yellow Stripe - Windward

Student of the Month - June '10 Conner Pinneke

Conner is one of the most, excited for Karate, students. He is always announcing that he will do Karate until he is a Black Belt. He is very excited to move to the Sempai (lead student) line. He will be a great Sempai by example. Conner has great technique, and drive for his age. He likes being a leader in class and often helps the other students. He will start his 3rd season in August as a Yellow Stripe and his maturity is starting to form. He plays less and has more focus. He has most recently been a big help at the Karate Kram and has learned his 1st Kata. With his long term goal to make Black Belt, it is exciting to watch him grow as a great karate student.

NO KARATE IN JULY!
