Cuyler Zulauf STUDENT OF THE MONTH - NOVEMBER

Red Belt - Windward Academy

Student of the Month - November Cuyler Zulauf

November student of the month is a new student to the JFK program. If you watch her train you would believe she has been training for years. Not just by her very precise technique but her focus and understanding for the art. At her young age she not only shows dedication but perseverance. She does not take over to lead, but leads well by example. Cuyler will be testing for her Blue Stripe very soon.

GREAT JOB CUYLER!
