STUDENT OF THE MONTH - March

Student of the Month - March '10

Ethan Mariner

Ethan Mariner is the student of the Month for March. This is Ethan's first year in JFK. He started in September and has been right on target. Ethan had a slow start, taking a couple of months to decide if he wanted to stay in Karate, but even during these trial months, Ethan plugged in and pushed hard. A uniform and promotion later Ethan was here to stay. He is ready in his uniform, focused in class, and definitely has a great time.

Ethan's technique and power have progressed well, and he often answers the hard questions in class. Although Ethan does not line up in the Sempai line, he is in the front line. If he keeps the pace he is on he will one day soon line up with the Sempai's too.

GREAT JOB ETHAN!

Promotion Banquet

Please look for an email from me regarding the upcoming Promotion Banquet in June. This is where the students receive their promotion certificates for the year. I have had different variations in the past.

1. At Wills Park so the students can demonstrate some of what they have learned and finger food.
2. At a restaurant with no demonstration and a sit down meal.

I am looking for feedback before I make final plans. Look for my email or send me an email. senseitara@yahoo.com
