## AN ENDING SEASON! From Sensei

Well, it is again the end of another successful season! This year was very fun and extremely exciting. The youngest of students really impressed me with their focus and progress. My veteran students are quickly coming to the the final turn toward the well deserved Black Belt Test. I have enjoyed every moment this year, and joyfully look forward to next year.

Over the summer break, after Camps, I will be working on Tournament info, new handbooks, and improving my payment process. As always, I appreciate your patience. I know you are aware my dedication is to the instruction of my students. I hope to address these issues and concerns, my awesome parents have been so patient.

For those of you unfamiliar with JFK Camp, it is a Mon-Fri 5 day camp, 9-Noon, the last full week in June. We meet mostly at Wills Park. We re-enact Sosai Mas Oyama's life on the mountain, work kata's, swim and even have special soccer instruction from Mr. Ben Ribaldo. And Much More!

Check out Last Year's Pictures:

## Eden List

STUDENT OF THE MONTH - May

Yellow Belt - JBR

### Student of the Month - May '10 Eden List

Eden joined Karate a full year after her brothers, but quickly became comfortable with training. She spent many classes watching her brothers train before she joined JFK. The JBR location is a very fast moving group and Eden contributes greatly. Her recent promotion to Yellow Belt was very exciting. She had a hard board break, and she never gave up. Currently apart of training on our mile run, she stays with the lead of the pack. Eden's contributions do not stop with a dedicated karate-ka, but she has a giving heart donating to Locks of Love, human hair donation to cancer patients. She has participated in Brownies, Swim team, and Chorus. The best kind of Kyokushin student, representing well everywhere!

**GREAT JOB Eden!**

## Sensel on the Sideline

We play Clarinet, Baseball & Soccer!!

Jada Baldwin SFX

Dylan Hannon WA

Christian Cullen JBR
